Fire Department Fiscal Year 2022 Report

	Fire	Ambulance Enterprise
Salaries & Wages	\$497,386.69	\$242,151.00
Operating Expenses	\$107,320.86	\$90,804 .00

During fiscal year 2022, the Fire Department responded to 1,187 calls for service. 26 runs fit the National Fire Incident Reporting Statistics (NFIRS) category of "Fire/Explosion" related. 60% of the total calls were EMS related incidents. Overnight in station staffing measures continued to see >50% reduction in response times.

In addition to emergency related calls, the department performed over 200 fire prevention inspections. The department also performs fire drills, fire safety presentations at the schools and other events, smoke/co detector and lock box installations for seniors, as well as participating in other community organized events.

Acting Chief Charles Savage continued the progression of the department. Training was a focus of the department. Firefighters became more engaged in training activities and a development plan was instituted for Deputy Chief McKay for the progression to Fire Chief. In addition, Acting Chief Savage oversaw the updating of much needed station improvements including new flooring, kitchen updates and new energy efficient windows.

We thank the community for their unwavering support and a special thank you to the members of the Georgetown Fire Department.

Sincerely,

Chief Matthew G. McKay
